

## Press Release

**11 - 22 September 2018**  
**Gallery Art Pool Vienna**

Vienna Calling is an ArtCan art exhibition with international and Austrian artists in the gallery Art Pool Vienna. It shows artistic implementations that are playful, critical, and convincing and is curated by ArtCan artists Teja Tegelj and Manfredo Weihs.

The call that many artists, as well as pop icon Falco, had dealt with the themes of freedom, provocation, rebellion and decadence, is now followed by 36 artists with their works in this exhibition.

ArtCan is a non-profit organisation supporting contemporary artists through a vibrant and exciting exhibition programme. The aim at ArtCan is to promote fair payment of artists: when you purchase a piece at an ArtCan event, you deal directly with the artist and they receive 100% of the payment. The organisation's ongoing objective is to create, promote, maintain and improve opportunities for contemporary artists without compromise to their artistic exploration and development. ArtCan functions on a membership basis. It is open to all fine artists and creative practitioners. Members support and engage with one another through collaboration, communication and networking. In this way they facilitate and enable exciting exhibition and project opportunities.

Gallery Art Pool Vienna is located in the heart of the Nibelungenviertel near the Wiener Stadthalle, Austria's largest event and cultural center.

The Art Pool Vienna Gallery, founded by Atelier Coolpool (Daisy Gold and Manfredo Weihs), is the center of the ever-expanding artist district.
